Election/Restrictions

Applicant's election with traverse of Species A in the reply filed on November 12, 2004 is acknowledged. The traversal is on the ground(s) that the search would not pose a burden on the Examiner. This is not found persuasive because two distinct species have been identified, and it is therefore proper for restriction.

The requirement is still deemed proper and is therefore made FINAL.

This application is in condition for allowance except for the presence of claims 40-59 and 61 to an invention non-elected with traverse in the reply filed on November 12, 2004. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

Allowable Subject Matter

Claims 26-39 and 60 are allowed.
